sdmay19-22: Online ordering platform
Week 16 Report
March 9 - March 15

Team Members
Alec Harrison — *DevOps*
Caleb Olson — *UI/Database*
Daniel O'Neill — *Testing Engineer*
Mitchell Bennett — *Communication/Inventory Filling*
Thomas Wesolowski — *Project Manager*
Thomas Staudt — *UI/Testing*

Summary of Progress this Report
- Alec Harrison
  - Cleaned up more mobile UI on register and login screen.
  - Footer now will stay at the bottom of the screen
- Caleb Olson
  - Added admin tab functionality to revoke user validation.
  - Changed validation buttons to toggle based on if the user is already validated or not.
  - Fixed bugs in the tables displayed data.
- Daniel O'Neill
  - Created a service ticket to Amazon to have them move the email sandbox so that we are able to send emails to more people.
  - Made short python script to check if the website is down and sends an email if it goes into an error state on a cron job.
- Mitchell Bennett
  - Help with current CSV to inventory in PHP.
  - Communication with Doll on DNS services.
  - Integration of Brandfinder inventory info into our inventory.
- Thomas Wesolowski
  - Fixed/Finished import for VIP data, updated products and pricing databases to connect to each other, and integrate into item and cart pages.
  - Added quick add to cart for the browse/discover page, tested this after loading product data from VIP.
- Thomas Staudt
  - Separated admin settings functionality from regular user settings functionality on the settings pages

Plans for Upcoming Reporting Period
- Alec Harrison
  - Follow up with mitch and Doll
- Caleb Olson
  - Allow creation of new admins
  - Work on Email confirmations for user validation.
- Daniel O'Neill
  - Work with TJ on the invoice information to send.
  - Move the checker into Lambda Amazon's service to have it automatically do it.
- Mitchell Bennett
  - Resolve DNS setup with Doll.

- ○ Begin documentation of the processes that we've used for this project so that others can take it over if need be
- Thomas Wesolowski
  - ○ Fix bug in items and card pages to show proper pricing data, work with Danny on email/invoice.
  - ○ Work with Mitch on importing images and descriptions from brandbuilder.
- Thomas Staudt
  - ○ Implement a password change confirmation page.
  - ○ Fix errors in the admin tab's user validation functionality.
